I respectfully request that the hearing on the zoning change be opened tonight and then continued until after November 5, 2009 when the Planning Board is scheduled to meet on this matter.

Opening this hearing will allow this matter to be in compliance with the MGL process that dictates hearings must be held not more than 65 days following the date it is presented to the Municipal Council for the public hearing process.

If you would like to schedule this matter on November 17, 2009, that date would be suitable for my office.

RE Pedestrian sign, Mill Pond Apartments

Dear Mayor Crowley and Members of the Municipal Council,

This letter is in regards to a October 6, 2009 motion of the municipal Council inquiring as to whether a pedestrian sign could be paid for out of a "\$25,000 traffic study account at the CVS/ Washington Street site". There is no City traffic study account. There may have been a private CVS account but we would not have control over it or knowledge of its existence or location. In addition, Condition #24 was completed by CVS and the required design was submitted and reviewed by the City Engineer.

If you have any additional questions, please contact me at 508-821-1051.

Re: Refuge, 96 High Street

Dear Mayor Crowley and Members of the Municipal Council:

This is to inform you that the Refuge is affiliated with the Agape Chapel in Raynham. They are a tax-exempt 501(c) (3) organization. Recently they vacated the property at 96 High Street.

The Agape Chapel/Refuge has signed a two-year lease agreement at 8 Winthrop St. in downtown Taunton.

According to the Director of Planning and Conservation such use is permitted as a matter of right. He further stated that a Special Permit may be required depending on the scope of work at this site.

I was verbally informed that they would be conducting minor cosmetic changes only. Therefore, it does not appear that a Special Permit will be required at this time.

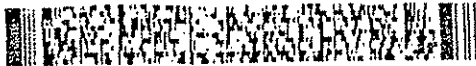

Pastor Michael Thomas and I met on Tuesday, October 20, 2009 and again on Friday, October 23, 2009 to discuss what is needed to obtain a building permit and valid certificate of occupancy for this space. Additionally, a representative from the Taunton Fire Prevention Office, Board of Health and Building Department conducted a site inspection at 8 Winthrop Street.

If I can be of any further assistance regarding this or any other matter, please feel free to contact me.

Dear Taxpayer,

A review of our records indicates that the Massachusetts sales/use tax exemption for **AGAPE CHAPEL IN RAYNHAM**, a tax-exempt 501(c) (3) organization, will expire on **08/14/08**.

The Department of Revenue is issuing this notice in lieu of a new Form ST-2, "Certificate of Exemption". The notice verifies that the Massachusetts Department of Revenue has renewed the sales/use tax exemption for **AGAPE CHAPEL IN RAYNHAM** subject to the conditions stated in Massachusetts General Laws, Chapter 64H, sections 6(d) or (e), as applicable.

The organization remains responsible for maintaining its exempt status and for reporting any loss or change of its status to the Department of Revenue. Absent the Department of Revenue's receipt of information from the taxpayer by the expiration date of the current certificate that the entity no longer holds exempt status under the above provisions, the taxpayer's certificate is renewed. This renewal will expire on 08/14/18.

The taxpayer's existing Form ST-2, in combination with this renewal notice may be presented as evidence of the entity's continuing exempt status. Provided that this requirement is met, all purchases of tangible personal property by the taxpayer are exempt from sales/use taxation under Chapter 64H or I respectively, to the extent that such property is used in the conduct of the purchaser's business.

Any abuse or misuse of this notice by any tax-exempt organization or any unauthorized use by any individual constitutes a serious violation and will lead to revocation. OUR VIEW

It's usually wise to inform people you're coming before you get there

THE ISSUE The Refuge came to Taunton without notice and caused confusion.

OUR VIEW Had the group filed a special permit, the confusion would not have happened.

The Refuge Worship/Outreach Center arrived in Taunton without notice it was coming.

That was a mistake. The lack of advance word on what the Refuge was resulted in confusion and misunderstanding.

The arrival in the High Street/Cohannet Street neighborhood of the Center, along with the homeless, would help spread concerns in the neighborhood.

Those concerns spread all the way across downtown to City Hall and the City Council, where Daniel M. Barbour spoke of the Center's unexpected arrival.

The suspicion grew that it was in the city illegally and was perhaps harboring dangerous individuals and drug addicts.

That was untrue as the council was to learn. The Center needed a special permit under the zoning laws, but it came to Taunton not realizing that.

The Center is an agency of the Agape Chapel in Raynham.

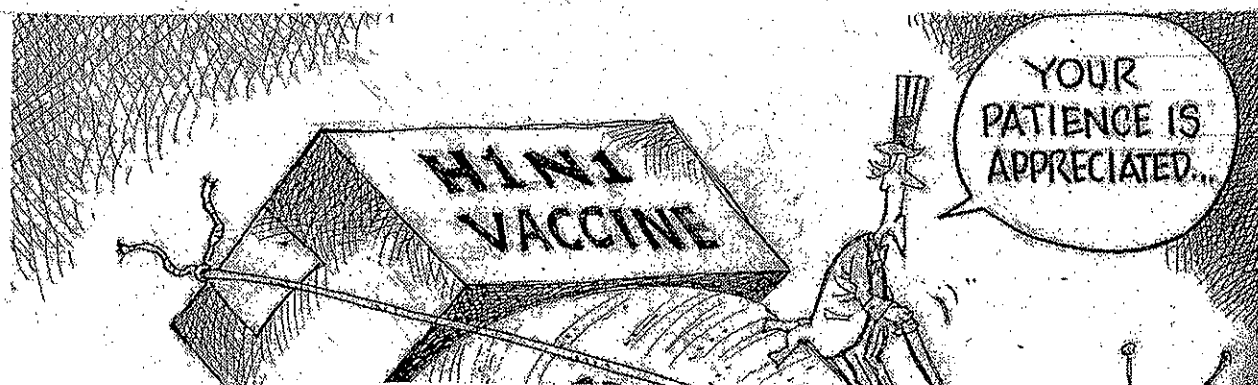

Religious organizations and their affiliates aren't accustomed to needing site permits, but these are suspicious times when people are wary about what comes into their neighborhoods, especially when there's no advance notice.

Many empty stores in once thriving commercial areas have become worship centers in recent times. Mary Jane Benker, the city's zoning code enforcement officer, found that The Refuge partners with several churches in providing "spiritually uplifting and material items for homeless, hungry, and hurting individuals."

Some of the items are food, clothing, and hygiene products. The Center is open about four days a week.

It sounds like something that should be supported, not feared, but it does need a special permit to "allow a modification of a pre-existing nonconforming structure and use."

Filing for one would have avoided the misconceptions.

Provide an update in two weeks stating whether the Refuge is properly permitted to be open and if not, what actions will be taken to help them or close them.

Re: Refuge, 96 High Street

Jennifer Regan
Assistant City Clerk

Dear Mayor Crowley and Members of the Municipal Council:

Pursuant to your request, I visited the Refuge Worship/ Outreach Center last week. I met with Mike Thomas the Refuge Campus Pastor. This Center which partners with several local churches provides spiritual uplifting and material items for homeless, hungry and hurting individuals. Some of these items include food, clothing and hygiene products. According to Pastor Mike Thomas they are open approximately four hours per day.

Today, I have notified both Pastor Thomas and the property owner that such use will require a Special Permit in accordance with Section 5.3.4 of the City of Taunton Zoning Ordinance to allow a modification of a preexisting nonconforming structure and use.

Should you have any additional questions, please feel free to contact me at 508-821-1015.
